

The water sector has a **competent and sustainable workforce**

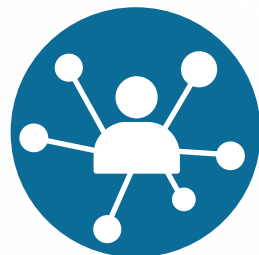

BCWWA

BC WATER & WASTE ASSOCIATION

Leaders make **informed decisions** about water services

The water sector has an **engaged network**

Mission

To connect and empower the BC and Yukon water sector to advocate for and safeguard public health and the environment

Leadership and innovation in the water sector is encouraged and promoted

Organizational development

The BCWWA is a sustainable organization

Vision

People have safe water and a healthy water environment

Values

Fun

We create an atmosphere where contributions and successes are celebrated.

Integrity

We are respectful, transparent, accountable, fair and treat everyone as equals.

Inclusive

We actively work with a diverse water community to provide meaningful opportunities to share skills and expertise.

Informed

We are fact-based, objective and balanced in our approach.

Innovative

We are committed to the advancement and adoption of technology and practices to serve our members and protect public health and the environment.
